## Education

*2005-Present*

### **University of Cincinnati**

College of Design, Art, Architecture, and Planning

Digital Design Major

Currently in my fourth year of college. I spent one year as a fine arts major and then switched to digital design.

*2001-2005*

### **Mother of Mercy High School**

Cincinnati, OH

Class of '05

## Work Experience

*8/2003-3/2008*

### **Day's Pharmacy:** a small locally owned family pharmacy

I have worked there for over 4 years. I started out when I was in high school working as a cashier mostly, while getting to know how a store is ran (merc. displays, inventory, etc.) Later, I began to deliver medicine as well as working more with the pharmacy part of the store and filling prescriptions until I became a technician.

*2002-present*

### **3Rivers Swim Club:** Life guarding

I have worked at the same private swim club for 6 summers. Not only was I responsible for the safety of members, but I also was a swim lesson instructor. Later I became a manager and my responsibilities increased.

*Spring/Fall/2008*

### **Warner Bros. :** Interactive Marketing

I helped create and manage teaser sites for theatrical releases (both domestically and Internationally), as well as ad banner production, social networking, online publicity, etc.. I also built Quicktime pages for numerous films for Apple's website.

*February 2009- March 2010*

### **Empower MediaMarketing:** Digital Designer

I designed and built many Flash features on our client's web pages. I worked on updating website content for our clients. I also worked on the design and build for several animated banner campaigns.

## Skills/Interests

### **Computer**

Adobe Creative Suite, including: Photoshop, Illustrator, InDesign, GoLive, Dreamweaver, Flash, After Effects

Cinema 4D

HTML, CSS, Javascript, Actionscript 2.0

Both Mac and PC skilled
